 - **Recap your commitment from “My Movement Moment.”**
 - Let’s be honest, it’s only been a couple of hours, and still, we are all probably thinking of reasons as to why we can’t keep the decisions we made. The enemy wants us in that spot, believing we cannot do what God has called us to. In order to reveal the lie for what it is, we must first voice what we are thinking. **Why do you think you can’t do it? What might get in the way or stop you?**

MVMT Maker

- Action Questions
 - **What do you think would happen, in your life and in the lives of those around you, if you don’t follow through on your “My Movement Moment” commitment?**
 - **What is one step you can take this week to begin living out your “My Movement Moment” commitment?**
- Prayer time – Spend the remaining time praying together as a group for the specific decisions made, the courage to act on them, and praise God for the results that are to come. Consider having each member pray aloud briefly for the person to their left. Rather than taking turns, your group can all pray aloud at the same time.
