- For all team members and volunteers who will serve with us at Movement that are not currently a part of the fps family.
- For our Movement Champions across all six campuses. Please pray for courage, wisdom, and a supernatural impact from these students and adults!
- For 1,000 students to attend Movement Conference take the gospel back into their schools.
- For your students who need to be there this Summer.

Volunteer Focus for April:

Over the next few weeks, we are asking all adult volunteers to focus on the following things.

- **Register for Conference.** You can register at MovementConf.com for FREE using the promo code OWNER18.
- **Group leaders**, please begin casting vision for your group about Movement. Let them know you are excited about this event and that you want them to be there!
- **Group leaders**, please start the conversation with your small group about your group's plan for Movement. This is a great time to get input from

them about transportation and housing. Below are some options available to your group.

- **HOUSING OPTIONS**

- Have your entire group stay at a host home. This could be a home of a student in your group, your home, or that of another Promisor. **(Preferred Option)**
- Split your group between two different host homes, preferably the homes of group members.
- Everyone stay at their own homes and meet to carpool to Movement.

**All meals will be provided except for breakfast. We will ask for parents to send students with breakfast items when we have parent meetings in June.*

- **TRAVEL OPTIONS**

- Carpool as a small group from your faith promise campus or host home each day. Fps will pay for parking for all groups that carpool. It's okay if this takes multiple cars, and some parents may be available to help. **(Preferred Option)**
- Have students meet at the Knoxville Civic Auditorium, spend the day as a group, and then have students picked up or drive home at the end of each day.

A Movement Story

"Movement 17 changed my life forever. I was so far from God and I thought He could never love me. Then I went to Movement Conference. I experienced God in a way I never thought I could before. Between Him and my small group, I learned what it's like to really be loved more than anything. I was saved and baptized during Movement 17 and I want other students to experience the same thing I did during Movement 2018! God's love and affection was showed to me through the sessions and prayer times that we had every day. If it wasn't for Movement, I wouldn't be here being able to share my story of how He saved me."

- An 8th grade fpStudent

We can't tell you enough how much we love you! We are praying for you and your students every day. If you have any questions about Movement Conference, let us know at fpsglobal@faithpromise.org.

In Christ,

Zac Stephens
