

My Movement

Week 1: Recap Night

What we want students to learn: God still wants to move in their life, even though Movement is over.

What we want students to do with what they've learned: Continue to seek God and move forward in their "My Movement Moment" commitment.

Scripture Focus: Luke 18:27

The Main Point

We are so excited about how God moved at Movement Conference. Tonight, we simply want to take time to reflect and celebrate how God moved in the hearts of our students. Whether students accepted Christ for the first time or they decided to take new steps of faith, it is all worth celebrating. For those students who did not attend Movement, tonight will be a great night to learn about a few of the big takeaways other students had from MVMT Conference. Also, if you attended Movement we just want to extend another thank you for all that you did to help make this event a success. We could not have done it without you! If you were not able to make it, we would love for you to join us next year.

INTRODUCTION

Ask the following questions as you begin to unpack this week:

- **What was your favorite experience at Movement?**
- **What was the most memorable thing you learned?**
- **Tell one funny story from Movement.**

PRAY your students would continue to seek Jesus in the midst of their everyday life. Pray for the conversations and relationships that have been built and those that have been restored.

LESSON

Your students have hopefully recovered now from this event and are settling back into their normal summer routines. For many students, they struggle to seek out the presence of the Lord in the same way that they did at Movement Conference. So tonight, we want to remind them that this does not have to be the case. The following questions are going to help your students begin to figure out why this is.

- **For those students who did not go to Movement, have students who did recap the following two things:**
 - **What did we learn at MVMT Conference**
 - **Explain what "My Movement Moment" was**

- *My Movement Moment gave students a chance to personally respond to what God had been doing in their life during Movement and make a commitment centered around what they would do to move forward in their faith.*
 - **What impact did MVMT Conference have on your walk with the Lord?**
-

LIFE APPLICATION

Read Luke 18:27 and then discuss the following questions.

- **How does this verse encourage you personally?**
- **Is it ever hard for you to truly believe a verse like this, that anything really is possible with God?**
 - *We have all been there!*
- **During Movement, we all had the chance to make a personal commitment during “My Movement Moment.” What commitment did you make?**
- **Have you made any progress in this commitment? If not, what has stopped you?**
- Even if you weren’t at MVMT, God still has steps He is calling you to take. Often times, we can determine these steps by seeing what God is already doing in our lives. **What is one way you have seen God work in your life this summer?**
 - *Encourage students to think outside the box on this question. You could also ask, “what good things in your life have happened in your life this summer? What role do you think God played in that?”*
- **How can you use the things happening in your life right now to tell other people about Jesus?**

Right now, post Movement, your students probably have a new momentum. Help them use this momentum to better themselves, better FP Students, and most importantly, better the Kingdom. Be sure to follow up with all the students who mentioned something above. Continue to encourage, guide and pray for them as they begin to step out in faith.

TAKE IT OUT

Close small group out with prayer requests. Pray that your students build confidence in our strong and almighty Heavenly Father, knowing He is fighting for them every step of the way. Pray that they would continue to chase after God, even as Movement has ended.

After prayer, be sure to remind them of any upcoming group serving activities or student events and THE WEEKEND!
